Mendelssohn Quartet

The Mendelssohn Quartet Company is something new in male quartets. While appearing in modern evening dress they will retain the spirit of the historic minstrel entertainer. The historic minstrel, it will be recalled, was refined and artistic in temperament, a combination of poet and musician who spent his days strolling from village to village, singing his songs and reciting his verses to all who would hear, from the lords and ladies of court and castle to the humble peasant folks and children of the street, his great genius lying in his ability to adapt his song and verse to fit any occasion, or any mood of his listeners. In addition to their vocal work they will perform with violin and cello.

Tea and Bazaar

One of the most enjoyable entertainments of the season was the Tea and Bazaar given last Saturday under the auspices of the ladies of St. Margaret's Guild. It took place in the spacious hall of the Victory building which is certainly an ideal location for anything of this kind.

The lunch served by the ladies was simple and dainty in every detail. Quite a number of pretty and useful articles were on sale. Miss Mary Parker furnished music which proved very attractive to the visitors.

The candy table was presided over by Misses Lena Davis and Mary Martin. The Guild deserves great credit for the social and financial success of this entertainment. St. Margaret's Guild is comparatively a new organization, but growing very rapidly, the officers are:

Mrs. Paul Banks, President; C. B. Johnson, Vice President; W. H. Kline, Sec'y and Treas.

HAPPY RESULTS

Have Made Many Earlington Residents Enthusiastic

No wonder scores of Earlington citizens grow enthusiastic. It is enough to make anyone happy to find relief after years of suffering. Public statements like the following are but truthful representations of the daily work done in Earlington by Doan's Kidney Pills.

James Walter Almon, of Earlington, Ky., says: "My kidney trouble was brought on by hard work and I was afflicted with the complaint for ten years. I suffered from dizzy spells, my kidneys did not do their work properly and my rest was disturbed by too frequent passages of the kidney secretions. Some time ago I learned of Doan's Kidney Pills and procured a box. Soon after I began using them I received great relief and thus encouraged, I continued taking them until I was cured. My kidneys are now in a normal condition and I feel very grateful to Doan's Kidney Pills for bringing about this change."

For Sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

How Much

WOULD ONE TO PAY FOR A MATTRESS?

A man can live forty days without food; seven days without food or water, but he would die in seven days without sleep.

For natural sleep you have to have a good bed.

It's economy therefore to buy a high grade mattress, even for a cheap bed.

A high grade mattress costs little more than the other kind.

Insist on any felt mattress you contemplate purchasing being opened. You will be surprised at the difference in the grades of cotton.

You are paying for what is inside of a mattress.

Coming and let us show you our line from \$8.50 to \$20.00.

About Rugs

There are so many different grades of rugs sold under a given name that the buyer is confused.

Axminster rugs, for instance, can be sold all the way from \$15 to \$85. There are five different grades of Tapestry Brussels from \$8.50 to \$20.

So it is always well to look twice before buying a rug bargain which looks cheap.

There are times when you can pick up real rug bargains, but for your own sake, unless you are an expert, you buy only of a store in which you have confidence.

Of our rug display we speak with special pride.

You will find here now a large stock of rugs—a selection that means much to your satisfaction.

HOW OLD PEOPLE

May Prolong Their Lives

At an advanced age waste is more rapid than repair. The organs act more slowly and less effectually than in youth. The circulation is poor, the blood thin and watery, the appetite poor and digestion weak.

We want to say to every aged person in this vicinity that Vinol, our delicious cod liver and iron tonic (without oil) will prolong life. It creates an appetite, aids digestion and makes good blood. In this natural manner Vinol retards waste and replaces weakness with strength, giving new life to the worn system.

If people in this vicinity only realized how Vinol invigorates old people we would not be able to supply the demand.

Try a bottle of Vinol with the understanding that your money will be returned if it does not help you.

OFF FOR NEW YORK

Our Great Removal Sale has done the work.

We have cut our stock down until moving will not be half the undertaking

R. S. Dulin will leave today for New York to buy a new stock for the new store. We did not anticipate it would be necessary when we began this sale, but we have been longer getting the new building ready than we thought

It will take the painters all of next week to finish. This means another week of unusual price cutting, for we want and must have this stock cut down to the very lowest, so this sale will continue until the very day we begin moving.

The painters promise we can begin moving Monday, Oct 30, so this will be the last week of Wonderful Opportunity. Don't let it get by you.
